Class:

Please return your completed design along with £1 by Friday 26th February to the office.

Please can you think of a fun name for either the cow shed, chicken coop or goat house. Please draw your sign in the space below using either pencils, crayons, felt tips or paint (sorry no glitter or stick-ons). One winner per year will be chosen and awarded a prize. The winning entries will be enlarged and made into a wooded sign, taken to Nakuru and placed outside that animal's home.
