

## WELCOME FROM THE HEAD

I very much look forward to you joining us at our first open event of the academic year. Come and experience what Chandlings has to offer. Your children can try actual activities that they would do if they were to join Chandlings. You will be shown around our school by our current Year 6 pupils who will take you on your own personalised tour.

Chandlings is a truly unique school and we are so proud of all our children and their achievements be it academic, sporting, music, dramatic amongst others. We offer your children a school where they are inspired and challenged and given the opportunity to explore and be creative in a relaxed and warm environment. A place where they can be themselves and achieve greatness.

Our Open Morning allows you and your children to come and get an insight into what makes Chandlings so special.

Christine Cook, Head

## ADMISSIONS

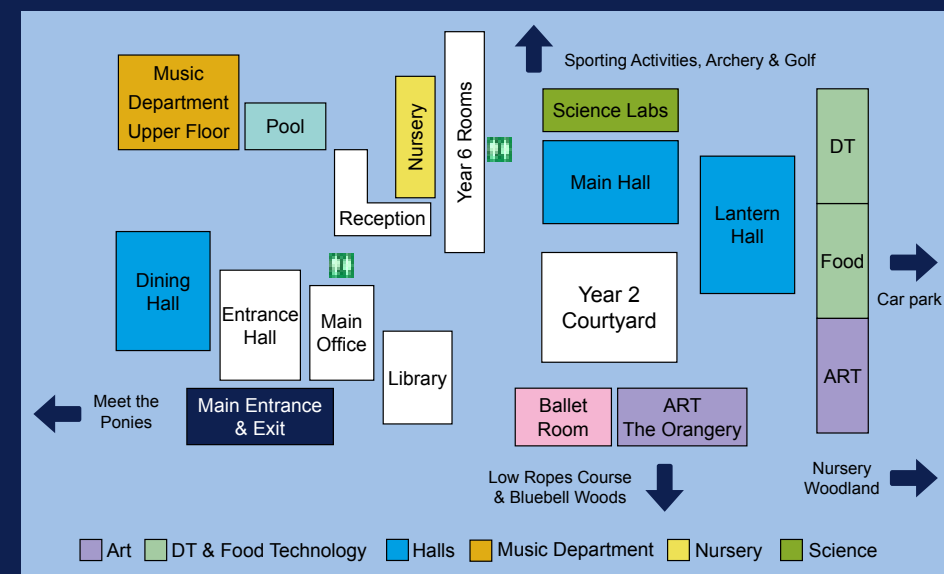

Information regarding admissions can be found in the Entrance Hall when you first arrive. Mrs Francesca Gentili, our Admissions Registrar, will be happy to help you with any questions you may have.

## EXPERIENCE CHANDLINGS

We are delighted that you are coming to visit Chandlings Prep School. On arrival please park in the school car park and you will be greeted by our Year 6 pupils at the Entrance Gate. You will then be escorted to the Entrance Hall where tours of the school will begin. There are a variety of activities for you to discover and our guides will take you on your own personalised tour.

A variety of information can be found in and around the Entrance Hall including our Breakfast and After School Clubs and our activities board.

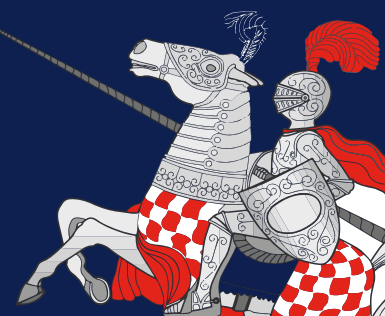

Refreshments will be served throughout the morning in the Entrance Hall and Dining Hall where you will also have the opportunity to meet our Head, Christine Cook.

## EXPERIENCE CHANDLINGS WHERE LEARNING HAPPENS EVERYWHERE.

Our Open Morning offers you the opportunity to discover Chandlings. Below is an outline of what you can explore and experience when you come:

**Archery** - String your bow and aim for the bullseye.

**Art** - Wonder at the fantastic award winning art on show as well as creating something unique to take home.

**Astonishing Animal Encounters** - Are you brave enough to hold giant spiders or other creepy crawlies and reptiles? Come to the Zoolab and see.

**Ballet** - Boys and girls can visit our newly renovated dance studio, kick off their shoes and get pirouetting.

**Design and Technology (DT)** - Try out our new laser cutter and design your own bag tag to take home.

**Dinosaur Fun** - Join the Year 1s hunting for fossils and discovering dinosaurs.

**Exciting English** - Bring out your inner author and see what wonderful writing you can create.

**Food Technology** - Visit our modern Food Technology room and bake an apple strudel made from our very own Chandlings apples.

**Golf** - Have a swing on the driving range and perhaps you'll play on the school course one day!

**Little Monkeys Gym** - Jumps, cartwheels, climbing...are just a few things you can do in our Monkey gym which is especially suitable for the little ones.

**Literary Library** - An oasis of books for every age. Come and see what our Librarian has in store.

**Low Ropes course** - Take a walk through our beautiful grounds, via the Eco-Field and the lake into the Bluebell Woods where you can try part of our new low ropes course.

**Marvellous Maths** - See what's in store for all ages in our Marvellous Maths classroom.

**Modern Foreign Languages** - French is taught to all children from Nursery upwards and as the children get older they have the opportunity to learn German, Italian, Spanish and Mandarin. Come and enjoy a carousel of activities and even a French play!

**Music/Drama** - Watch an excerpt from our Year 4 musical, test your acting skills in our drama games or try out a new musical instrument.

**Nursery Woodland** - Get your magnifying glasses at the ready to go Bug hunting and exploring the woods especially for the younger children.

**Ponies** - We offer riding lessons to all our children from Reception to Year 6...come and have a go yourself.

**Science** - Get experimenting in our state of the art science labs or try pond dipping from our pontoon.

**Sport** - Rugby, cricket, hockey or netball? Which is your favourite? Don't worry you don't have to choose as Chandlings offers a huge range of different sports. You will not only see demonstrations but also have the opportunity for your children to have a go.

**STEM** - Our new STEM playground is ready for you to use your imagination and get building and creating. Why not design an obstacle course or a gutter maze?

**Storyteller** - Come and listen to an enchanting story told in our special Storyteller chair.

**Up Up and Away** - Join the Year 2s and see if you can make your own flying machine.
